

ENDURANCE

ENDURANCE rubber cushion is the environmentally friendly and performance choice to support your flooring investment. Manufactured with the added benefit of recycled tire crumb, ENDURANCE can handle any volume of traffic. Make a positive impact and enjoy comfort and luxury from a quality cushion.

The Affordable Green Choice

- Produced with recycled tires to extend the life of the flooring product
- Contributes to LEED® green building credits for recycled content, regional materials and low-emitting materials

Healthy Home

- Carpet and Rug Institute Green Label Plus approved for indoor air quality
- Open cell rubber for air circulation to improve maintenance
- Offers superior noise reduction
- Diminishes impact sound

Acoustic Sound Rating

- IIC 66
- STC 61
- Delta 23

Quality Assurance

- High density construction for superior performance and comfort underfoot
- Superior performance backing for strength, durability and quality installation
- Can be installed above or below grade and over radiant heat

Warranty

Limited lifetime warranty
